Creating Bathrooms For Generations

The Modular Bathroom Furniture Collection

January 2022

Quality Since 1964

Here at Atlanta bathrooms we are dedicated to producing high quality bathroom furniture, which will provide a lifetime of beautiful, practical storage and create your perfect bathroom.

All our furniture is expertly designed and skilfully crafted in the North East of England, using only the highest quality materials; sourced ethically and sustainably.

We are highly regarded for providing excellent customer service and we aim to exceed customer expectations in every aspect of our product and service, by offering a lifetime guarantee on all of our furniture.

Our Company

Be Modern Ltd was established in 1964; with 5 employees and a 5,000 square foot factory in Sunderland, equipped with second hand machinery, production began.

Almost 60 years later, the company has expanded operations to over 250,000 square feet of production and warehouse space, housing state of the art machinery, employing over 300 local people and supplying customers nationwide.

Made In Britain

All our furniture is manufactured in the UK and we are proud members of Made In Britain.

Made in Britain is "the official collective mark for British manufacturers and is registered with UKIPO across 30 product classes. The Made in Britain collective mark unites the British manufacturing sector and helps consumers; buyers and specifiers identify products that are made in Britain."

All MDF and MFC is responsibly sourced and is FSC® certified. All fixtures and fittings are fully tested to meet industry standards and are UKCA and CE approved.

Sustainability

Forest Stewardship Council® Chain of Custody Certification

Be Modern Ltd hold full Forest Stewardship Council® chain of custody certification; our guarantee that all timber products used in our furniture are sourced responsibly

FSC® labelled products are made with consideration for people, wildlife and the environment.

The FSC® labels guarantee that the products are produced from controlled and recycled materials, which are harvested and replaced or allowed to regenerate naturally; certain parts of the forest are protected entirely.

Environment

Be Modern Ltd manufacture all of our furniture at our facilities in the North East of England. Processes are in place to reduce waste and increase energy efficiency throughout the plant.

Our environmental management system is certified to ISO 14001:2015 standards, outlining our commitment to continually improve our environmental performance.

Quality

The reputation of our organisation rests on the high quality of our products hence all products are inspected throughout the production process.

Our quality management system is certified to ISO 9001:2015 and covers all areas of the business from manufacturing to customer service.

Planning & Design

We design all our product with simplicity in mind, from selecting your desired look, allowing for planning and design, through to the ease of installation.

We work with industry leading planning and design partners which enable Atlanta retailers to easily tailor your perfect bathroom to you; by creating a 3D model of the finished project some even allow you to take a virtual tour.

You'll be confident you've made the right choice with Atlanta Bathrooms.

Key Features

We are delighted to partner with Virtual Worlds, who are experts in bringing bathroom designs to life with 3D & 4D visualisations, including virtual reality.

2020 Fusion

Co-ordinating interior door or drawer and internal cabinet colour for a clean, co-ordinated look.

18mm rigid cabinet for durability and strength.

12mm feature side panels for a superior finish.

Internal motion activated drawer light.

Soft close as standard.

Strong and easy to clean 18mm doors and drawers.

Style Guide

How To Create Your Bathroom Look

1. Planning the layout of your bathroom

Evaluate and measure the available space, consider where you would like the amenities such as the WC, basin and bath and/or shower to be positioned. Does the existing layout work or can the space be utilised better? A wall hung unit can give the illusion of more space. Look at the room that you currently have, how will it be used and by whom? Do you need a bath or would a walk in shower make better use of the space?

2. What is your style - be inspired

You might have an idea of what style, colour and look you'd like or you may need some inspiration. Whether you prefer a classic timeless look, a contemporary handleless style or a desirable curved finish, let our latest range of modular bathroom furniture inspire you. From the minimalist sharp look of PORT that comes as a single or double drawer unit to the curvaceous design of our AMBLE range. If you are creating a downstairs WC or updating an existing one, take a look at our contemporary FARNE range or if you prefer a classic look our BAMBURGH range could be the style you are looking for.

3. Consider storage and lighting

We all need space for our bathroom toiletries and our range of Atlanta modular bathroom furniture can help create a clutter free environment. To maximise your space further consider a separate storage unit. This can be co-ordinated with your bathroom furniture to complement your overall bathroom look and it is a worthwhile investment. Getting the lighting right can create a desirable ambience to your room. Our internal motion sensor drawer light that is included as standard and our range of LED mirrors can add to this.

4. Making your dream bathroom a reality

Planning your dream bathroom should be fun and enjoyable. Make sure you get the help of a qualified expert when installing any bathroom fixtures or fittings, or if you require any building work. Many of our approved bathroom showrooms can offer practical advice to help you optimise and plan your space. They can accommodate a wide range of budgets and often provide a full project management service from design to installation, which can make the overall process easier and hassle free.

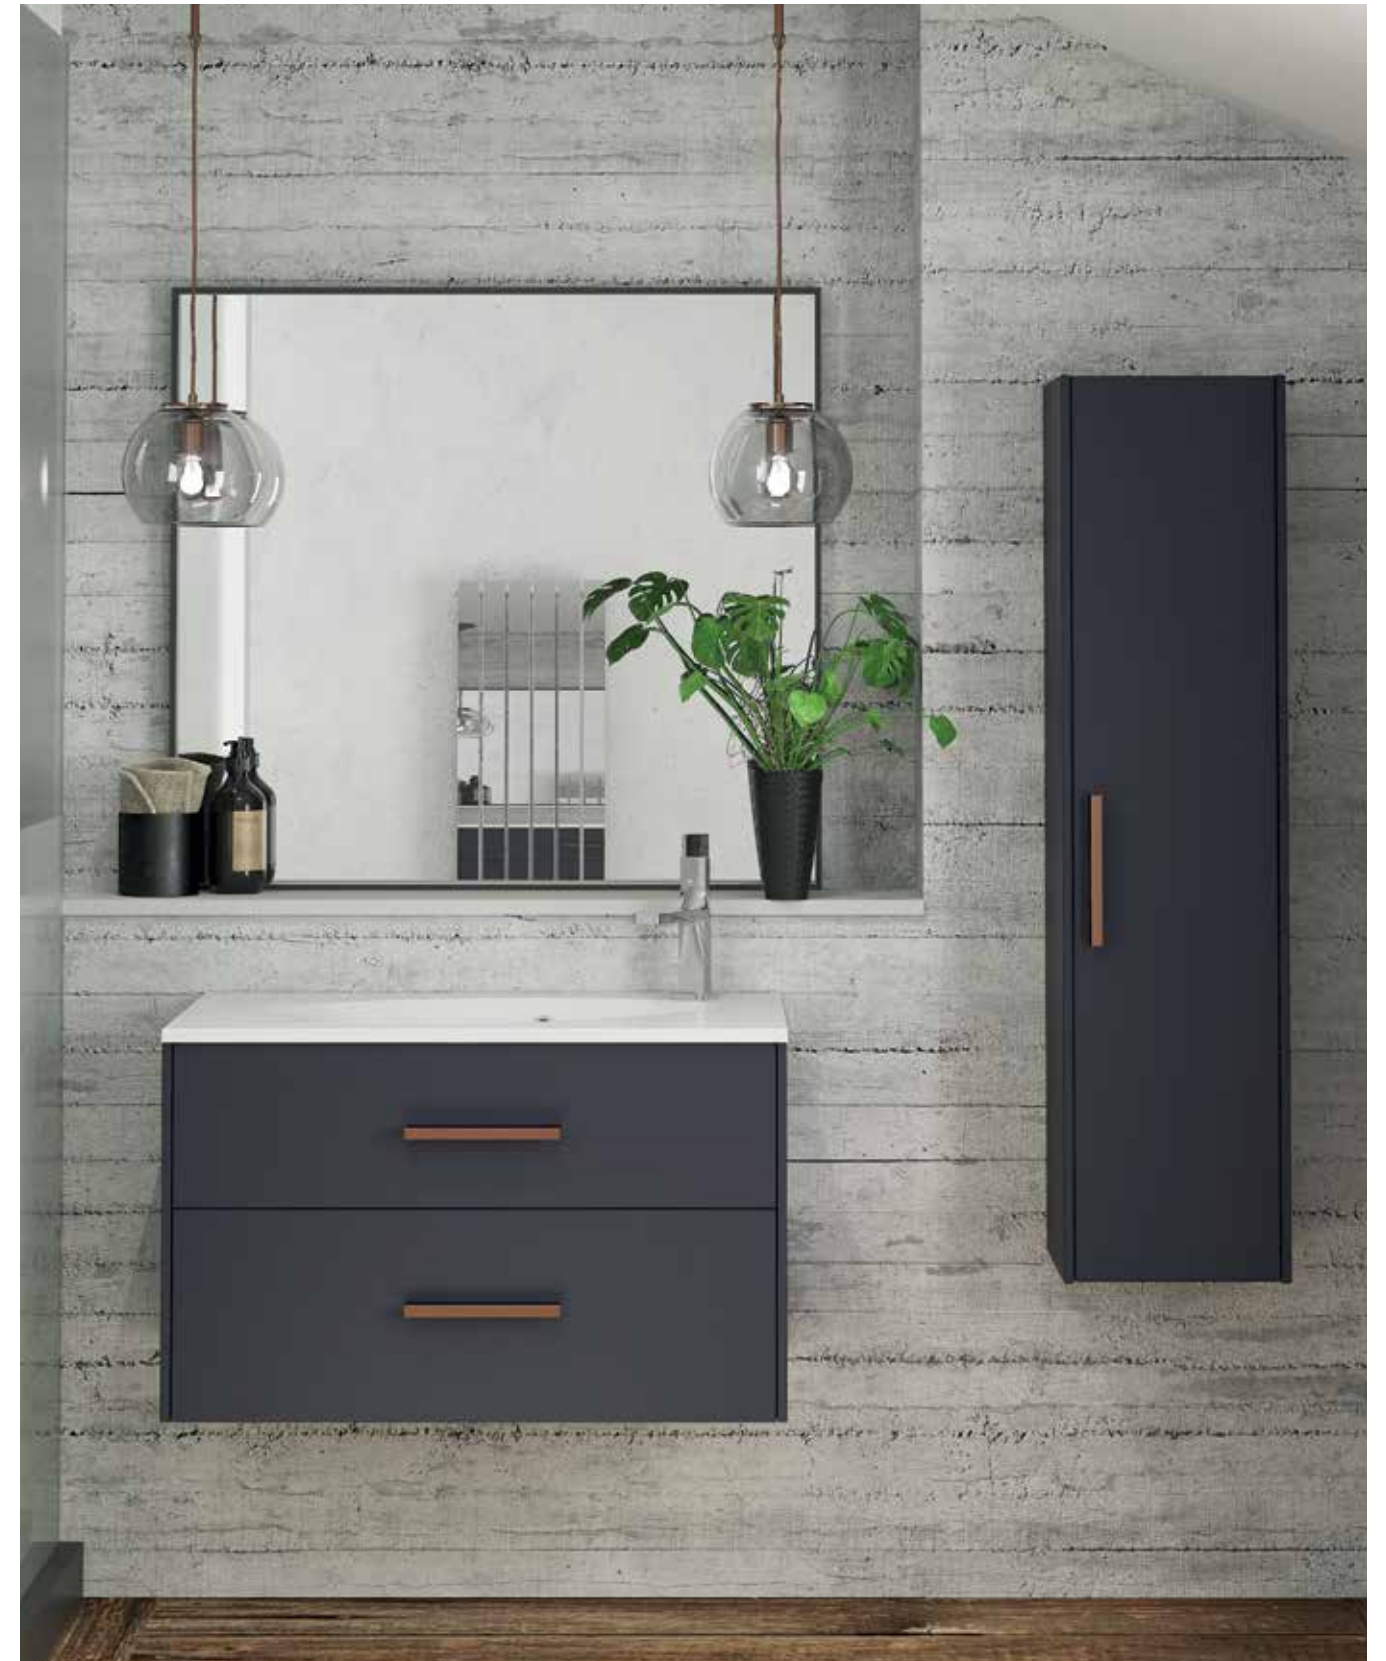

Find Your Nearest Showroom

Atlanta Bathroom furniture is available at a wide range of approved showrooms across the United Kingdom.

To find your local showroom visit www.atlantabathrooms.com or call our friendly customer service team on **0191 428 3104**

who will be happy to help.

PORT & HARBOUR

With a minimalist inspired style, our PORT & HARBOUR ranges are opulent and versatile. The PORT style unit is specifically designed to work with the unique shape of the Pebble basin and features an offset drawer box, however the HARBOUR unit features the same sleek external look of the PORT but features a central drawer box which will work with any other of our sit-on or vessel basins.

SANITARYWARE

QUAY 600mm Double Drawer Wall Hung Basin Unit and 600 WC Unit in White Gloss.

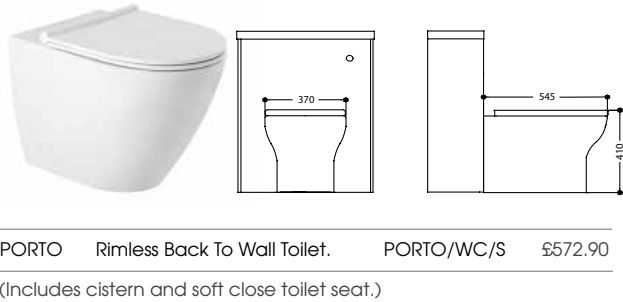

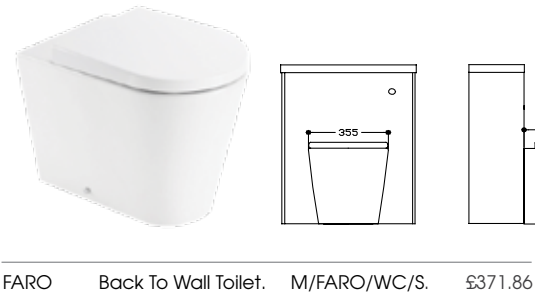

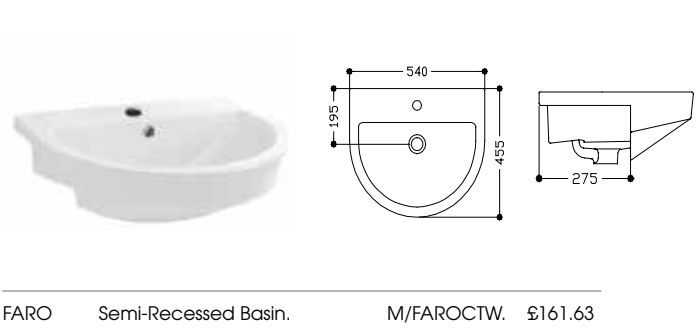

PAVIA

PAVIA has a simplistic design, with its smooth rounded front made from ceramic. Its curved finish and simplicity of the design makes the PAVIA range perfect for the bathroom of your dreams. Each WC comes with a soft close seat.

FARO & PORTO

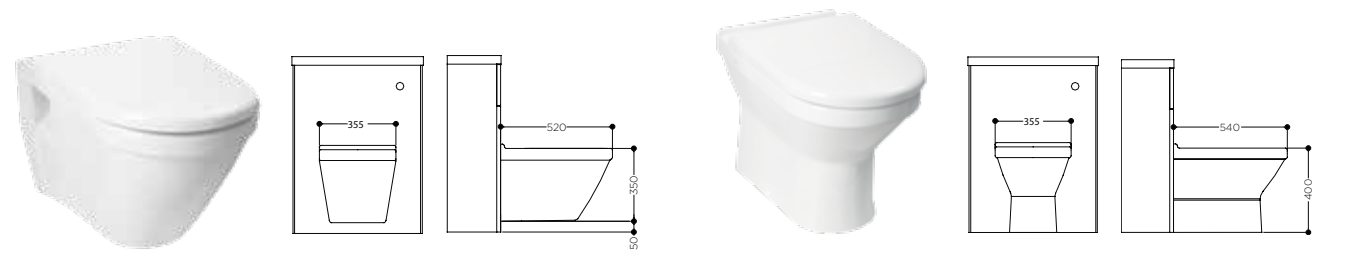

The FARO sanitaryware range has both a classic feel and modern touch with a design that creates a striking look. It is both stylish and practical. This ceramic range is easy to install and each WC comes with a soft close seat. Our PORTO back to wall WC features a rimless pan for easy cleaning.

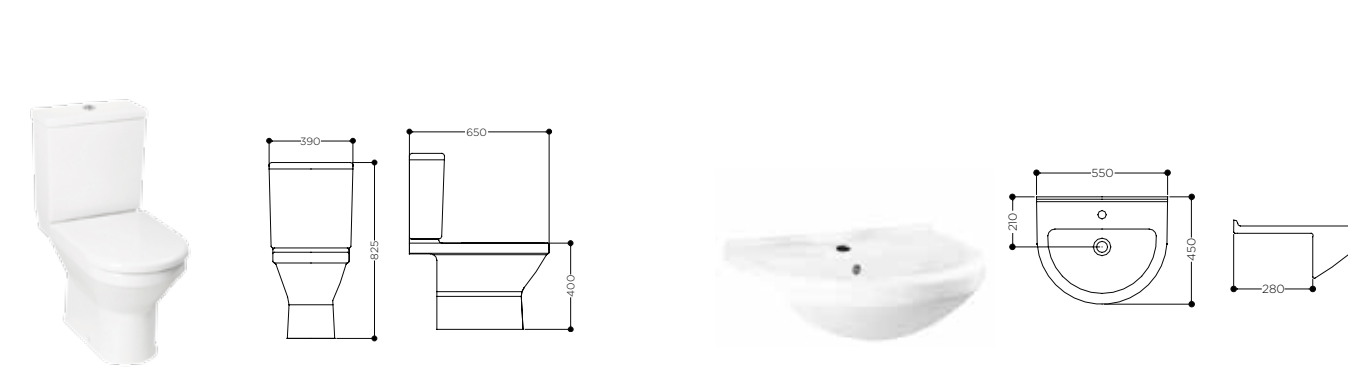

Note: All measurements are in mm.

FORINO

The FORINO range is a modern yet timeless style. It includes a comfort height back to wall WC and each toilet comes with a soft close seat.

Guarantees & Conditions

GUARANTEES

Our lifetime guarantee covers our furniture against faulty materials or manufacturing defects. This is offered provided our products have been installed and maintained in accordance with our installation and product care instructions. All products should be fitted in accordance with local by-laws and in line with good plumbing practice. Any electrical products should be installed by a qualified electrician.

Our lifetime guarantee excludes sanitaryware, handles, taps, mirrors, lights or any electrical or moving components. It does not cover normal wear and tear, which naturally and inevitably occurs during normal use.

The guarantee, which applies to the UK only, is limited to domestic use of the products and to the original homeowner. The guarantee is non-transferable between homeowners.

When installing any timber products in a bathroom environment it is important to provide adequate ventilation (such as an extractor fan). This prevents the buildup of condensation, which may be harmful to your product.

It is important that a waterproof sealant is used on all cut or raw edges and particular attention should be given to areas around the basin and bath. Failure to comply with these recommendations may invalidate your guarantee.

To activate the guarantee register online at www.atlantabathrooms.com/lifetime-guarantee. Within 60 days of purchase (otherwise a 12month statutory guarantee applies) This guarantee does not affect your statutory rights.

In the unlikely event that the product fails within the stated guarantee period, we will offer a replacement or replacement parts (or nearest equivalent). Liability is limited to individual products and does not cover consequential loss, damages or further installation costs involved. Any guarantee claims should be made in writing to the Customer Service Department enclosing a copy of the original invoice.

Other Product Guarantees (against material and manufacturing defects)

- 15 years; Solid surface countertops (22mm countertops feature an MDF core should be sealed against water ingress, upon installation).
- 5 years; Ceramic sanitaryware and cast mineral basins, Mirrors, including those on mirrored doors,
- 2 years; Toilet seats
- 1 year; Illuminated mirrors, Electrical fittings and components, Brassware, sprung pop-up wastes and shower kits, Cisterns (note that customers will be referred to the cistern manufacturer to resolve any issues with cisterns)

GUIDELINES FOR CARE AND MAINTENANCE

FURNITURE AND MIRRORS

Wipe up spills and condensation immediately with a clean cloth. We recommend that furniture be cleaned with a damp cloth, and then dried. Avoid using cleaners or polishes that contain abrasives, solvents, acid, or ammonia.

CAST MINERAL BASINS

Clean with a damp cloth, water and soap or very mild detergent, rinse, and polish with a soft cloth. Avoid using cleaners that contain abrasives, solvents, acid, or ammonia. Do not use caustic soda or bleaches. Full care instructions are included with the washbasin.

BASIN MIXERS & BATH FILLERS

Chrome and Black finishes should be cleaned with warm water and a soft cloth, rinsed, and then dried immediately. They should then be buffed with a dry, clean, soft cloth.

ADDITIONAL INFORMATION

FURNITURE

All timber finishes are wood effects. Although great care is taken in choosing matching finishes there may be some variation due to the different materials, suppliers, batches, and manufacturing processes used. The apparent colour of finishes may also vary under different lighting conditions, especially under artificial light.

TOLERANCE/PRODUCT DIMENSIONS

Due to the nature of materials and production processes the dimensions may vary within a tolerance of +/-2mm on furniture, +/- 2% on cast mineral basins, +/-5% on ceramic products. Cast basins are designed and guaranteed to be used with hot water up to a maximum temperature of 65°C. This temperature must not be exceeded. The surfaces of ceramic products may contain imperfections. Sanitaryware may carry branding from relevant manufacturers.

INSTALLATION

It is important that a waterproof sealant is used on cut or raw edges and particular attention should be given to areas around the basin and bath.

COLOUR REPRODUCTION

Colour reproduction is as accurate as possible within the limitations of the printing process. Also note colours will vary under artificial light.

ALTERATIONS TO MATERIALS & SPECIFICATIONS

The Be Modern Group policy is one of continual improvement and development, we therefore reserve the right to alter materials and specifications without notice.

DELIVERY

The team at Be modern take pride in what we do, and the services we provide. We aim to deliver 90% of our own manufactured products direct to the retailer utilising our Be modern trained delivery team, ensuring first time and on time deliveries (subject to stock).

Our standard lead times on stocked products are order week one (by Wednesday 4.00pm) and the order will be delivered by close of business on week three. If you require urgent items, we do offer a 48hr carrier service (72hr Add selected post-codes) on selected sized items, subject to stock. The charge for our carrier service is £15 for items less than 30kg and £55 for items over 30kg (please speak with your Be Modern sales team to obtain further details).

Our express delivery is unavailable in the following postcode areas; AB10-16, AB21-40, all IV, KW1-14, PA21-38, PH15-41 and LL58-59. Instead we offer our standard order week one, deliver week three delivery service in these areas.

DAMAGES & RETURNS

All products should be inspected upon delivery and any damages must be reported within 3 working days. Goods which are damaged may be returned to the Company providing collection authority is received (according to our conditions of sale - details available at www.atlantabathrooms.com)

Our products are sold on a supply only basis and our guarantee does not cover installation or consequential costs incurred due to any product faults or defects with our products or services.

The preauthorized return of non-faulty products that are no longer required, will be subject to a re-stocking charge, and must be returned in suitable packaging for resale.
