Welcome to your Sanctuary

BEAUTIFULLY MADE BATHROOM FURNITURE, BUILT AROUND YOU

Our latest premium Complete Collection, features fitted and vanity ranges of bathroom furniture presenting versatile storage solutions, with a selection of on trend finishes to complement your bathroom design.

At Atlanta we believe that the bathroom is such an important and personal space in the home. We design and manufacture stunning bathroom furniture of the highest quality in a wide range of styles, from contemporary to classic; to help you create your own sanctuary where you can relax in comfort and style.

Atlanta Bathrooms is a brand of BeModern®, which was established in 1964 and has been proudly producing furniture for the home, here in the UK, for over 60 years. Our team of industry leading designers and production team are dedicated to producing the highest quality products and our customer service and logistics teams offer a first class service.

All of our furniture comes with a lifetime guarantee.

Creating Bathrooms For Generations

PROUD MADE IN BRITAIN MEMBERS

All of our furniture is manufactured in the UK and we are proud members of Made in Britain.

Made in Britain is “the official collective mark for British manufacturers and is registered with UKIPO across 36 product classes. The Made in Britain collective mark unites the British manufacturing sector and helps consumers; buyers and specifiers identify products that are made in Britain.”

Atlanta Bathrooms are also members of the BA (Bathroom Association). The BA acts as an information link between the bathroom industry, the government and consumers on all issues that affect the industry here in the UK.

Quality

EST. 1964

Our organisation's reputation is built on the superior quality of our products. Thorough inspections are conducted at every stage of production. Our quality management system, certified to ISO 9001:2015, encompasses all aspects of our business.

Environment

ISO 14001 CERTIFIED

BeModern® Ltd. manufacture all of our furniture at our facilities in the North East of England. Our environmental management system is certified to ISO 14001:2015 standards, outlining our commitment to continually improve our environmental performance.

Award Winning

SUSTAINABILITY AWARD WINNER

We're proud to have won the Sustainability Award from the Bathroom Association (BA), recognising our commitment to a more sustainable future in the industry.

Sustainability

FOREST STEWARDSHIP COUNCIL CERTIFICATION

BeModern® Ltd.'s full Forest Stewardship Council® (FSC) Chain of Custody Certification is a testament to our commitment to sustainability in the furniture industry. This certification assures consumers that every timber product used in their furniture is responsibly sourced from forests managed in accordance with stringent environmental, social, and economic criteria laid out by the FSC®.

FSC® labelled products not only signify responsible sourcing but also reflect considerations for the well-being of people, wildlife, and the environment.

Service

CUSTOMER FOCUS AT OUR CORE

Atlanta Bathrooms: Your source for top quality British made products. With seamless communication and expert guidance, we offer hassle-free pre-installation replacements, punctual delivery, and a lifetime guarantee. Crafted for durability, functionality and style, our products are backed by attentive Sales & Customer Service Teams. Experience peace of mind with prompt support and post-installation assistance. Trust Atlanta Bathrooms for a premium experience.

At Atlanta Bathrooms, simplicity is at the core of our product design philosophy. From the moment you choose your desired aesthetic to the straightforward planning and design process, and finally, to the hassle-free installation, we prioritise ease and convenience every step of the way.

Partnering with industry leading planning and design experts, we empower Atlanta retailers to seamlessly tailor your ideal bathroom experience.

With Atlanta Bathrooms, you can trust that you've made the right choice for your home. For more information on how we can transform your bathroom experience, don't hesitate to ask your retailer.

We're social too.

Space

SIZE, SHAPE & FORM

Through cutting-edge technology, including the creation of detailed 3D models of your finished project and even offering 2D & virtual tours (at selected retailers), our partners ensure that you have a clear vision of your dream bathroom before any work begins.

Basin Units

Cabinets are dispatched fully assembled. Doors/drawers and top panels are packed separately and are supplied with adjustable legs and one adjustable shelf matching cabinet internal. If wall mounting basin or base units a wall mounting kit must be used.

WC Units

WC Units have a full panel design compatible with Back to Wall and wall mounted toilets. Suspension frame kits must be used in conjunction with a wall mounted toilet.

Guarantees & Conditions

GUARANTEES

Our lifetime guarantee covers our furniture against faulty materials or manufacturing defects. This is offered provided our products have been installed and maintained in accordance with our installation and product care instructions. All products should be fitted in accordance with local by-laws and in line with good plumbing practice. Any electrical products should be installed by a qualified electrician.

Our lifetime guarantee excludes sanitaryware, handles, taps, mirrors, lights or any electrical or moving components. It does not cover normal wear and tear, which naturally and inevitably occurs during normal use.

The guarantee, which applies to the UK only, is limited to domestic use of the products and to the original homeowner. The guarantee is non-transferable between homeowners.

When installing any timber products in a bathroom environment it is important to provide adequate ventilation (such as an extractor fan). This prevents the build-up of condensation, which may be harmful to your product.

It is important that a waterproof sealant is used on all cut or raw edges and particular attention should be given to areas around the basin and bath. Failure to comply with these recommendations may invalidate your guarantee.

To activate the guarantee register online at www.bemodern.com/atlanta-bathrooms/support/guarantee. Within 60 days of purchase (otherwise a 12 month statutory guarantee applies) This guarantee does not affect your statutory rights.

In the unlikely event that the product fails within the stated guarantee period, we will offer a replacement or replacement parts (or nearest equivalent). Liability is limited to individual products and does not cover consequential loss, damages or further installation costs involved. Any guarantee claims should be made in writing to the Customer Service Department enclosing a copy of the original invoice.

Other Product Guarantees (against material and manufacturing defects)

- 10 years; Solid surface countertops
- 5 years; Ceramic sanitaryware and cast mineral basins, Mirrors, including those on mirrored doors,
- 2 years; Toilet seats
- 1 year; Illuminated mirrors and cabinets, Electrical fittings and components, Brassware, sprung pop-up wastes and shower kits, Cisterns (note that customers will be referred to the cistern manufacturer to resolve any issues with cisterns)

GUIDELINES FOR CARE & MAINTENANCE

FURNITURE & MIRRORS

Wipe up spills and condensation immediately with a clean cloth. We recommend that furniture be cleaned with a damp cloth, and then dried. Avoid using cleaners or polishes that contain abrasives, solvents, acid, or ammonia.

CAST MINERAL BASINS

Clean with a damp cloth, water and soap or very mild detergent, rinse, and polish with a soft cloth. Avoid using cleaners that contain abrasives, solvents, acid, or ammonia. Do not use caustic soda or bleaches. Full care instructions are included with the washbasin.

BRASSWARE

Chrome, Black and Brushed Brass finishes should be cleaned with warm water and a soft cloth, rinsed, and then dried immediately. They should then be buffed with a dry, clean, soft cloth. Due to the nature of different materials used in the production of basin and bath shower mixers, there may be slight variation between components. On no account should any bathroom cleaner be used as these contain chemicals that are corrosive to brushed surfaces.

ADDITIONAL INFORMATION

FURNITURE

All timber finishes are wood effects. Although great care is taken in choosing matching finishes there may be some variation due to the different materials, suppliers, batches, and manufacturing processes used. The apparent colour of finishes may also vary under different lighting conditions, especially under artificial light.

TOLERANCE/PRODUCT DIMENSIONS

Due to the nature of materials and production processes the dimensions may vary within a tolerance of +/-2mm on furniture & worktops, +/- 2% on cast mineral basins and +/-5% on ceramic products. Cast basins are designed and guaranteed to be used with hot water up to a maximum temperature of 65°C. This temperature must not be exceeded. The surfaces of ceramic products may contain imperfections. Sanitaryware may carry branding from relevant manufacturers.

INSTALLATION

It is important that a waterproof sealant is used on cut or raw edges and particular attention should be given to areas around the basin and bath.

COLOUR REPRODUCTION

Colour reproduction is as accurate as possible within the limitations of the printing process. Also note colours will vary under artificial light.

ALTERATIONS TO MATERIALS & SPECIFICATIONS

The BeModern® Group policy is one of continual improvement and development, we therefore reserve the right to alter materials and specifications without notice.

DELIVERY

The team at BeModern® takes pride in what we do and the services we provide. We aim to deliver 90% of our own manufactured products directly to retailers using our BeModern®-trained delivery team, ensuring first-time and on time deliveries (subject to stock availability).

BeModern® go the extra mile when it comes to service, which is why we have improved our service levels and communication. On the day you place an order with BeModern®, you will receive an order acknowledgement, providing peace of mind that your order has been correctly received. Your order will then be scheduled for despatch, after which you will receive a second confirmation detailing the delivery date (usually within 48-72 hours of receipt of your order). Finally, upon despatch, you will receive a third confirmation notifying you that the goods have left our warehouse.

All the above, including delivery, will occur within 3-5 working days following receipt of your original order. This applies to all Atlanta-branded products (subject to stock availability).

If you require urgent items, we offer a 48-hour carrier service (72 hours for selected postcodes) for selected items, subject to stock availability. The charge for our carrier service is £20 for items under 20kg and £60 for items over 20kg. Please speak to your BeModern® sales team for further details. The following postcodes may vary between 3-5 days:

AB, IV, KW, PA, PH, LL

DAMAGES & RETURNS

All products should be inspected upon delivery, and any damages must be reported within 28 days of receipt or prior to installation (whichever comes first). BeModern® operates a pre-installation no-quibble guarantee. Goods that are damaged may be returned to the company, provided collection authorisation is received (according to our conditions of sale - details available at www.atlantabathrooms.com).

Our products are sold on a supply-only basis, and our guarantee does not cover installation, or any consequential costs incurred due to product faults or defects.

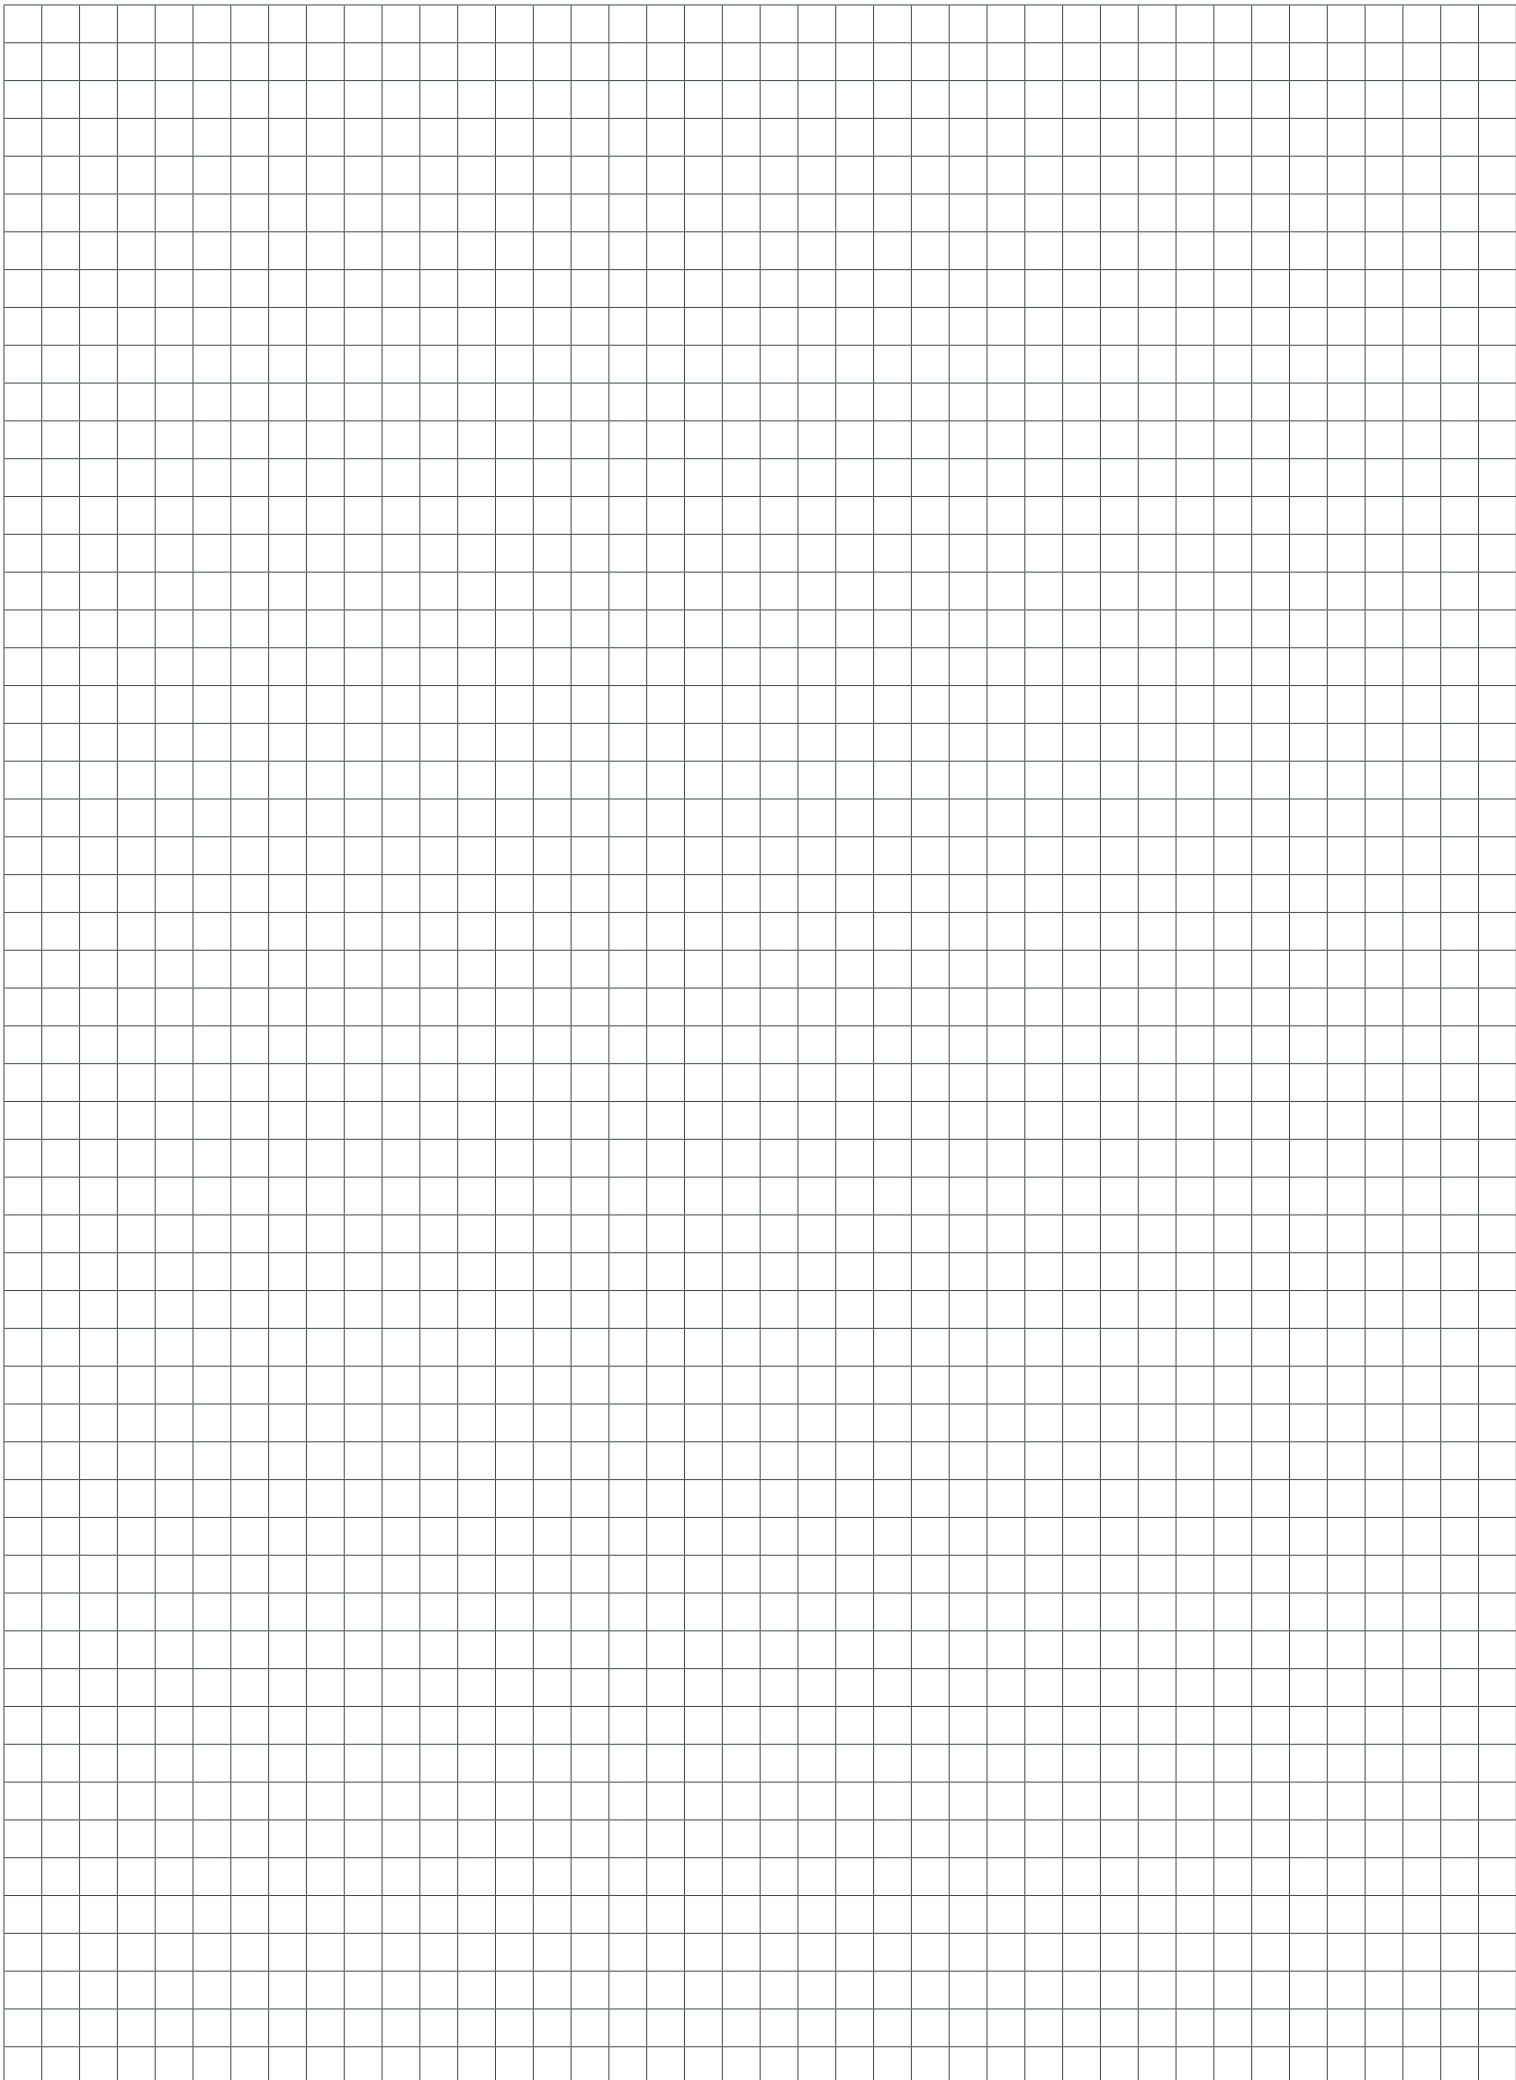

The pre-authorized return of non-faulty products that are no longer required will be subject to a re-stocking charge and must be returned in suitable packaging for resale.

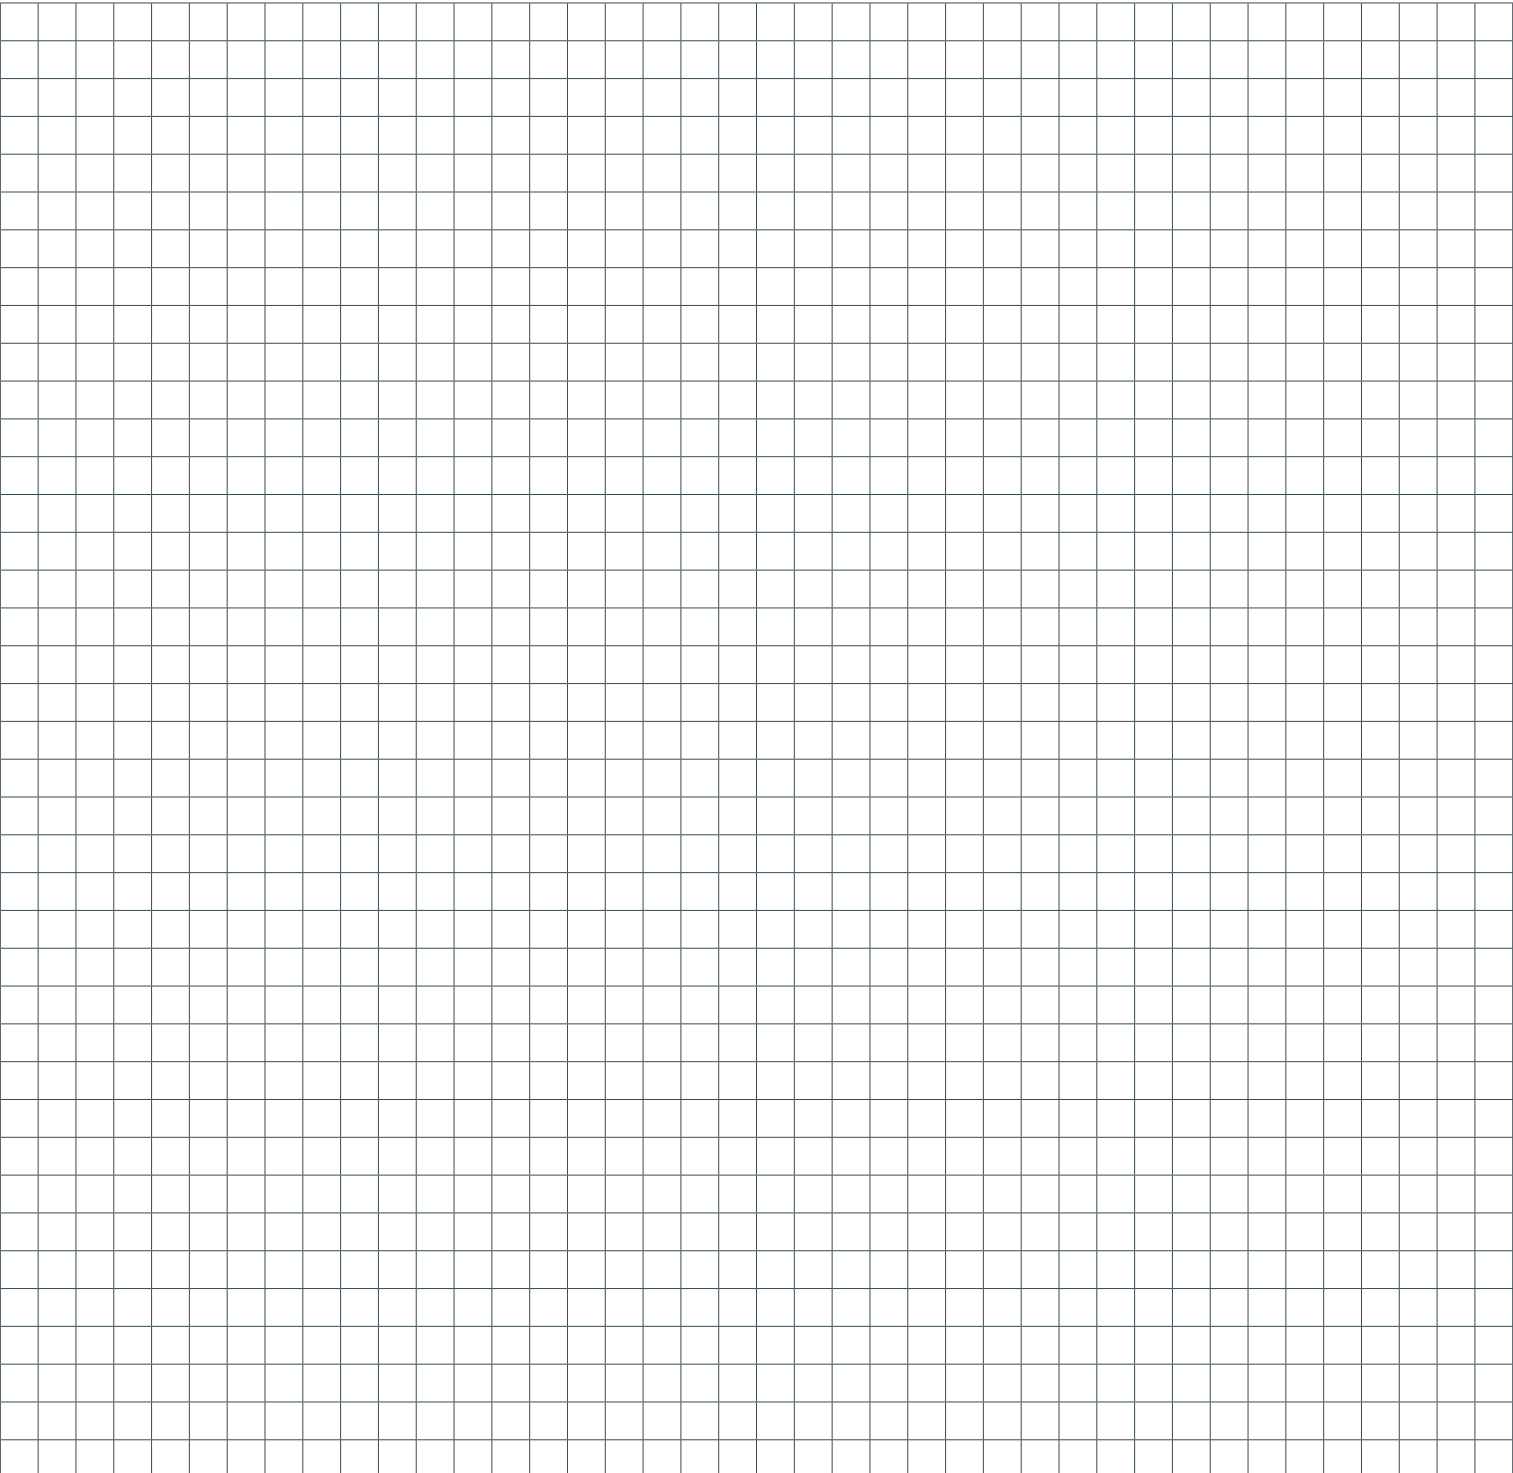

BeModern® Limited

34 Bedesway, Bede Industrial Estate, Jarrow, Tyne & Wear, NE32 3BE

T: 0191 4283104 / E: bathroomorders@atlantabathrooms.com / www.atlantabathrooms.com

BeModern® hold design copyright and registration of design for its product ranges. BeModern® are continually striving to improve and develop their range of products. It is important, therefore, to check details before ordering as sizes and specifications may change without prior notice. Whilst every effort is made to ensure accuracy and colour, it is not always possible to obtain perfect reproduction because of the materials and printing processes used and you may find that shades, grain markings and marble effect colouring are not consistent.

Front cover: Doxford Fitted units in Cashmere Matt featuring a Manta Brass Vessel Basin and Petal Tall Basin Mixer in Brushed Brass.
