bathrooms. crafted with distinction

Inspired by tradition, perfected for modern living

welcome.

Inspired by the elegance of classic English homes and the harmony of natural surroundings, the Signature collection brings a sense of timeless refinement to the bathroom. With traditional profiles, painted finishes, and considered details, each piece is crafted to create interiors of quiet luxury — spaces where heritage charm meets modern living.

bathrooms.

inspired by tradition

A bathroom should be more than a necessity — it is a private retreat, a place to pause, refresh and indulge. Signature Collection by Atlanta transforms this essential space into one of quiet elegance, where timeless design and modern refinement meet in perfect balance.

ST JAMES
BRASSWARE

ST JAMES
BRASSWARE

crafted.

perfect for modern living

Every detail is deliberate, every proportion considered. From the depth of a painted finish to the curve of a basin, each piece in the collection is designed in Britain with a focus on harmony, longevity and understated beauty. This is craftsmanship expressed with contemporary precision.

with distinction.

defined for today

Defined by a palette of Baltic Blue, Kielder Green and Dove Stone, accented with elegant hardware and classic profiles, the collection carries an unmistakable air of distinction. It is furniture that elevates the everyday, creating bathrooms of rare character and enduring style.

countertops & upstands

distinctive finishing touches

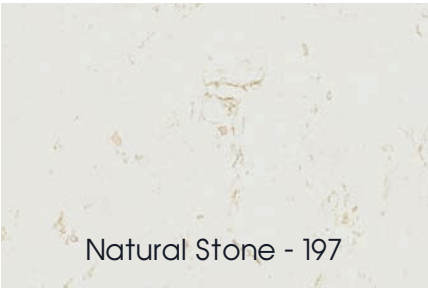

countertops & upstands finishes

Made in Britain and crafted to a 20mm profile, our three solid surface countertops complement the painted finishes of the Herrington collection. Made using recycled materials, they deliver the luxurious look of natural stone in three timeless tones, adding depth and sophistication to the bathroom.

Moon Stone - 196

Natural Stone - 197

Onyx Stone - 198

Due to the nature of the material countertops may exhibit minor pitting, slight variations in colour & veining, which are inherent characteristics of the material. Also, due to photographic lighting and display settings, the colour of the actual product may differ marginally from that depicted in images.

nano wastes

Colour	Code	Price
BLACK	NANOWT-BL	£85.00
BRASS	NANOWT-BR	£99.00
CHROME	NANOWT-CH	£79.00

The Nano Waste Trap is designed for modern convenience, combining performance with practicality. At just 6.7cm high, it's three times more compact than a standard trap, leaving valuable space beneath your basin.

Its advanced silicone membrane ensures no unpleasant smells, pipe noises, or back-siphoning, while the removable cartridge and plug allow for quick, tool-free cleaning and easy access to pipework if needed.

Can be used as both slotted or unslotted, making it suitable for use with all basin types.

matching bath taps & wastes also available

Guarantees & Conditions

GUARANTEES

Our lifetime guarantee covers our furniture against faulty materials or manufacturing defects. This is offered provided our products have been installed and maintained in accordance with our installation and product care instructions. All products should be fitted in accordance with local by-laws and in line with good plumbing practice. Any electrical products should be installed by a qualified electrician.

Our lifetime guarantee excludes sanitaryware, handles, taps, mirrors, lights or any electrical or moving components. It does not cover normal wear and tear, which naturally and inevitably occurs during normal use.

The guarantee, which applies to the UK only, is limited to domestic use of the products and to the original homeowner. The guarantee is non-transferable between homeowners.

When installing any timber products in a bathroom environment it is important to provide adequate ventilation (such as an extractor fan). This prevents the buildup of condensation, which may be harmful to your product.

It is important that a waterproof sealant is used on all cut or raw edges and particular attention should be given to areas around the basin and bath. Failure to comply with these recommendations may invalidate your guarantee.

To activate the guarantee register online at www.bemodern.com/atlanta-bathrooms/support/guarantee. Within 60 days of purchase (otherwise a 12 month statutory guarantee applies) This guarantee does not affect your statutory rights.

In the unlikely event that the product fails within the stated guarantee period, we will offer a replacement or replacement parts (or nearest equivalent). Liability is limited to individual products and does not cover consequential loss, damages or further installation costs involved. Any guarantee claims should be made in writing to the Customer Service Department enclosing a copy of the original invoice.

Other Product Guarantees (against material and manufacturing defects)

- 10 years; Solid surface countertops
- 5 years; Ceramic sanitaryware and cast mineral basins,
- 2 years; Toilet seats
- 1 year; Illuminated mirrors and cabinets, Electrical fittings and components, Brassware, sprung pop-up wastes and shower kits, Cisterns (note that customers will be referred to the cistern manufacturer to resolve any issues with cisterns)

GUIDELINES FOR CARE & MAINTENANCE

FURNITURE & MIRRORS

Wipe up spills and condensation immediately with a clean cloth. We recommend that furniture be cleaned with a damp cloth, and then dried. Avoid using cleaners or polishes that contain abrasives, solvents, acid, or ammonia.

CAST MINERAL BASINS / COUNTERTOPS

Clean with a damp cloth, water and soap or very mild detergent, rinse, and polish with a soft cloth. Avoid using cleaners that contain abrasives, solvents, acid, or ammonia. Do not use caustic soda or bleaches. Full care instructions are included with the washbasin.

Due to the nature of the material countertops may exhibit minor pitting, slight variations in colour & veining, which are inherent characteristics of the material. Also, due to photographic lighting and display settings, the colour of the actual product may differ marginally from that depicted in images.

BRASSWARE

Chrome, Black and Brushed Brass finishes should be cleaned with warm water and a soft cloth, rinsed, and then dried immediately. They should then be buffed with a dry, clean, soft cloth. Due to the nature of different materials used in the production of basin and bath shower mixers, there may be slight variation between components. On no account should any bathroom cleaner be used as these contain chemicals that are corrosive to brushed surfaces.

VENTILATION REQUIREMENTS

- Bathrooms must be adequately ventilated. Product failures due to poor ventilation are not covered under the guarantee.
- Painted furniture must be installed in a well ventilated bathroom and is not suitable for wetrooms.
- Avoid prolonged exposure of paint finishes to water or high humidity

ADDITIONAL INFORMATION

FURNITURE

All timber finishes are wood effects. Although great care is taken in choosing matching finishes there may be some variation due to the different materials, suppliers, batches, and manufacturing processes used. The apparent colour of finishes may also vary under different lighting conditions, especially under artificial light.

TOLERANCE/PRODUCT DIMENSIONS

Due to the nature of materials and production processes the dimensions may vary within a tolerance of +/-2mm on furniture, +/- 2% on cast mineral basins, +/-5% on ceramic products. Cast basins are designed and guaranteed to be used with hot water up to a maximum temperature of 65°C. This temperature must not be exceeded. The surfaces of ceramic products may contain imperfections. Sanitaryware may carry branding from relevant manufacturers.

INSTALLATION

It is important that a waterproof sealant is used on cut or raw edges and particular attention should be given to areas around the basin and bath.

COLOUR REPRODUCTION

Colour reproduction is as accurate as possible within the limitations of the printing process. Also note colours will vary under artificial light.

ALTERATIONS TO MATERIALS & SPECIFICATIONS

The BeModern® Group policy is one of continual improvement and development, we therefore reserve the right to alter materials and specifications without notice.

We have featured select taps from St James England discover more at www.stjamesengland.com

DELIVERY

The team at BeModern® takes pride in what we do and the services we provide. We aim to deliver 90% of our own manufactured products directly to retailers using our BeModern®-trained delivery team, ensuring first-time and on-time deliveries (subject to stock availability).

BeModern® goes the extra mile when it comes to service, which is why we are improving our service levels and communication from February 2025. On the day you place an order with BeModern®, you will receive an order acknowledgement, providing peace of mind that your order has been correctly received. Your order will then be scheduled for despatch, after which you will receive a second confirmation detailing the delivery date (usually within 48-72 hours of receipt of your order). Finally, upon despatch, you will receive a third confirmation notifying you that the goods have left our warehouse.

All the above, including delivery, will occur within 3-5 working days following receipt of your original order. This applies to all Atlanta-branded products (subject to stock availability).

If you require urgent items, we offer a 48-hour carrier service (72 hours for selected postcodes) for selected items, subject to stock availability. The charge for our carrier service is £15 for items under 30kg and £55 for items over 30kg. Please speak to your BeModern® sales team for further details. The following postcodes may vary between 3-5 days:

AB, IV, KW, PA, PH, LL

DAMAGES & RETURNS

All products should be inspected upon delivery, and any damages must be reported within 28 days of receipt or prior to installation (whichever comes first). BeModern® operates a pre-installation no-quibble guarantee. Goods that are damaged may be returned to the company, provided collection authorisation is received (according to our conditions of sale - details available at www.atlantabathrooms.com).

Our products are sold on a supply-only basis, and our guarantee does not cover installation, or any consequential costs incurred due to product faults or defects.

The pre-authorised return of non-faulty products that are no longer required will be subject to a re-stocking charge and must be returned in suitable packaging for resale.

ENQUIRIES

enquiries@atlantabathrooms.com

www.atlantabathrooms.com

BeModern® hold design copyright and registration of design for its product ranges. BeModern® are continually striving to improve and develop their range of products. It is important, therefore, to check details before ordering as sizes and specifications may change without prior notice.

Whilst every effort is made to ensure accuracy and colour, it is not always possible to obtain perfect reproduction because of the materials and printing processes used and you may find that shades, grain markings and marble effect colouring are not consistent. BeModern® Nov 2025
