Luxury Marble iQ**FX** Fireplaces

The ultimate in marble perfection

Diamond luxury fireplaces crafted from micro marble deliver the ultimate in elegance and style.

Smooth, cool and perfectly finished, these stunning fireplaces become the centrepiece of the room and provide a stunning backdrop to showcase the beauty of an iQ**FX** eFire.

Our premium micro marble is composed of small pieces of real marble which are finely crushed and reconstructed to give an authentic finish.

The collection features 13 contemporary fireplace designs, available in widths ranging from 47"-57", wall mounted and floorstanding options, and in a selection of 3 elegant colours: White, Rigel or White with Grey slip.

All designed to integrate an iQ**FX** eFire to combine intelligent control with cutting edge British design and manufacturing.

DIAMOND hold design copyright and registration of design for its product ranges. DIAMOND are continually striving to improve and develop their range of products. It is important, therefore, to check details before ordering as sizes and specifications may change without prior notice. Whilst every effort is made to ensure accuracy and colour, it is not always possible to obtain perfect reproduction because of the materials and printing processes used.
