

Atlanta Bathrooms Launches New Modular Ranges for September 2022

Atlanta Bathrooms, part of the Be Modern Ltd group, have launched 4 new modular ranges for September 2022.

The new ranges include Calibre, Latitude, Newton and Bay, wall hung vanity units available in widths from 600mm – 1400mm, boasting premium design, quality and integrated lighting features.

Originally showcased at KBB 2022 as prototypes, the ranges have been brought to life by Atlanta Bathrooms in-house designers in collaboration with retailers and installers, creating a stylish, contemporary, and versatile collection.

All units are high quality 18mm vinyl pressed, hand finished and pre-assembled with anthracite internals and soft-close.

These stunning new ranges are now in stock and available to order. If you are interested, please contact your Atlanta Area Sales Manager, who will be happy to talk you through the product and arrange displays.

Atlanta Bathrooms are proud members of Made in Britain, BMA (Bathroom Manufacturers Association), hold full Forestry Stewardship Council® chain of custody certification, ISO 9001 and ISO 14001 for its quality and environmental management systems.

All Atlanta bathroom furniture is made in the UK and comes with a lifetime guarantee.
